QUESTIONS AND ANSWERS

1. Q: WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

A: At HealthStream's annual meeting, shareholders will act upon the election of three Class III directors and any other matters that may properly come before the meeting. In addition, our management will respond to questions from shareholders.

2. Q: WHEN WAS THIS PROXY STATEMENT MAILED TO SHAREHOLDERS?

A: This proxy statement was first mailed to shareholders on or about April 30, 2003.

3. Q: WHO IS SOLICITING MY VOTE?

A: This proxy solicitation is being made and paid for by HealthStream. In addition, we have retained SunTrust Bank, Georgeson Shareholder and Corporate Elections to assist in the solicitation. We will pay these entities approximately \$1,700 plus out-of-pocket expenses for their assistance. Our directors, officers and other employees not specially employed for this purpose, may also solicit proxies by personal interview, mail, telephone or facsimile. They will not be paid additional remuneration for their efforts. We will also request brokers and other fiduciaries to forward proxy solicitation material to the beneficial owners of shares of the common stock that the brokers and fiduciaries hold of record. We will reimburse them for their reasonable out-of-pocket expenses.

4. Q: WHAT MAY I VOTE ON?

A: You may vote on the election of three (3) Class III directors to our board of directors.

5. Q: HOW DOES THE BOARD RECOMMEND I VOTE ON THE PROPOSAL?

A: The board recommends that you vote **FOR** each of the director nominees.

6. Q: HOW WILL VOTING ON ANY OTHER BUSINESS BE CONDUCTED?

A: We do not know of any business to be considered at the 2003 annual meeting other than the election of three (3) Class III directors to our board of directors. If any other business is presented at the annual meeting, your signed proxy card gives authority to Robert A. Frist, Jr., our Chief Executive Officer, and Robert H. Laird, Jr., our Vice President, Secretary and General Counsel, or either of them, to vote on such matters at their discretion.

7. Q: WHO IS ENTITLED TO VOTE?

A: Only shareholders of record at the close of business on April 8, 2003 (the record date) may vote at this meeting. As of the record date, there were approximately 20,367,430 shares of our voting common stock outstanding. The shares were held by approximately 210 holders of record. Every shareholder is entitled to one vote for each share of common stock the shareholder held of record on the record date.

8. Q: HOW DO I VOTE?

A: You may vote by signing and dating the proxy card you receive and returning it in the enclosed prepaid envelope. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted **FOR** the proposal. You have the right to revoke your proxy at any time before the meeting by:

- notifying our Secretary, Robert H. Laird, Jr., at 209 10th Avenue, Suite 450, Nashville, TN 37203;
- voting in person; or
- submitting a later-dated proxy card.

9. Q: CAN I VOTE BY TELEPHONE OR ELECTRONICALLY?

A: If you are a registered shareholder you may vote by telephone, or electronically through the Internet, by following the instructions included with your proxy card.

If your shares are held by your broker, often referred to as in "street name," please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically.

10. Q: WHAT IS THE VOTE REQUIRED TO APPROVE THE PROPOSAL?

A: Each of the director nominees must receive affirmative votes from a plurality of the shares voting to be elected.

11. Q: WHAT IS A "QUORUM"?

A: A "quorum" is a majority of the outstanding shares. They may be present at the meeting or represented by proxy. There must be a quorum for business to be conducted at the meeting. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

12. Q: WHAT IF I ABSTAIN FROM VOTING?

A: If you attend the meeting or send in your signed proxy card but abstain from voting on the proposal, you will be counted for purposes of determining whether a quorum exists. If you abstain from voting on the election of directors, your abstention will have no effect on the outcome.

13. Q: HOW DO I VOTE MY SHARES IF THEY ARE HELD IN THE NAME OF MY BROKER (STREET NAME)?

A: If your shares are held by your broker, often referred to as in “street name,” you will receive a form from your broker seeking instruction as to how your shares should be voted. If you do not issue instructions to your broker, your broker will vote your shares at its discretion on your behalf. The Nasdaq National Market rules provide that brokers and nominees may not exercise their voting discretion on certain non-routine matters without receiving instructions from the beneficial owner of the shares. A broker non-vote occurs when a broker holding shares registered in street name is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote (the “non-vote”) on the non-routine matter.

14. Q: WHAT IS THE EFFECT OF A BROKER NON-VOTE?

A: A broker non-vote will have no effect on the election of directors. Broker non-votes will be counted as present for purposes of determining whether there is a quorum.

15. Q: WHO WILL COUNT THE VOTES?

A: A representative of our transfer agent, SunTrust Bank, Atlanta, will count the votes and act as inspector of elections.

16. Q: WHO MAY ATTEND THE ANNUAL MEETING?

A: Shareholders of record on April 8, 2003 may attend the meeting. “Street name” holders will need to bring a copy of a brokerage statement reflecting their ownership of our common stock as of the record date. Cameras and recording devices are not permitted at the meeting.

17. Q: WHEN ARE SHAREHOLDER PROPOSALS DUE IN ORDER TO BE INCLUDED IN OUR PROXY STATEMENT FOR THE 2004 ANNUAL MEETING?

A: Any shareholder proposals to be considered for inclusion in next year’s proxy statement must be submitted in writing to Secretary, HealthStream, Inc., 209 10th Avenue, Suite 450, Nashville, Tennessee 37203, prior to the close of business on December 31, 2003.

18. Q: WHEN ARE OTHER SHAREHOLDER PROPOSALS DUE?

A: Our Bylaws contain an advance notice provision that requires that a shareholder's notice of a proposal to be brought before an annual meeting must be timely. In order to be timely, the notice must be addressed to our Secretary and delivered or mailed and received at our principal executive offices not less than 120 days prior to the first anniversary of the date this notice of annual meeting was provided to shareholders.

19. Q: HOW CAN I OBTAIN ADDITIONAL INFORMATION ABOUT THE COMPANY?

A: We will provide a copy of our Annual Report on Form 10-K for the year ended December 31, 2002, excluding certain of its exhibits, without charge to any shareholder who makes a written request to Investor Relations Department, HealthStream, Inc., 209 10th Avenue, Suite 450, Nashville, Tennessee 37203 or an oral request by calling (615) 301-3237. ITEM ONE – ELECTION OF DIRECTORS

The Board of Directors is divided into three classes (Class I, Class II and Class III). At each annual meeting of shareholders, directors constituting one class are elected for a three-year term. Directors who were elected to fill a vacancy in a class whose term expires in a later year are elected for a term equal to the remaining term for their respective class. The Fourth Amended and Restated Charter of the Company provides that each class shall consist, as nearly as may be possible, of one-third of the total number of directors constituting the entire Board of Directors. The current Board of Directors is comprised of ten members. Three members of the Board of Directors will be elected as Class III directors at the Annual Meeting.

The Board of Directors has nominated and recommends to the shareholders, Robert A Frist, Jr., M. Fazle Husain and Frank Gordon for election as Class III directors to serve until the annual meeting of shareholders in 2006 and until such time as their respective successors are duly elected and qualified. Messrs. Frist and Husain are currently Class III directors of the Company having been previously elected by the shareholders. Mr. Gordon is currently a Class II director of the Company having been previously elected by the shareholders. Charles N. Martin, Jr. is a current Class III director who is not standing for re-election. Mr. Gordon is being shifted to Class III from Class II to maintain the number of directors in each class as nearly equal as possible as required by the Company's Fourth Amended and Restated Charter.

If any of the nominees should become unable to accept election, the persons named in the proxy may vote for such other person or persons as may be designated by the Board of Directors. Management has no reason to believe that any of the nominees named above will be unable to serve. Certain information with respect to directors who are nominees for election at the Annual Meeting and with respect to directors who are not nominees for election at the Annual Meeting is set forth on the following pages.

Corporate Governance

Our business is managed under the direction of our Board of Directors. The Board of Directors delegates the conduct of the business to our senior management team. Directors have regular access to senior management. They may also seek independent, outside advice. The Board of Directors considers all major decisions. The Board of Directors holds regular quarterly meetings and meets on other occasions when required by special circumstances. Some of the directors also devote their time and attention to the Board of Directors' principal standing committees. The Board of Directors has established three standing committees so that certain areas can be addressed in more depth than may be possible at a full board meeting. The committees, their primary functions and memberships are as follows:

Audit Committee. The audit committee's primary duties and responsibilities are to oversee the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance; approve the selection, evaluation and compensation of the Company's independent auditors, oversee the independence and performance of the Company's independent auditors and internal auditing functions; and provide an avenue of communication among the independent auditors, management and the Board of Directors. The audit committee operates pursuant to the terms of a Restated Audit Committee Charter, a copy of which is attached to this proxy statement as Appendix A. Members of the audit committee are M. Fazle Husain, John H. Dayani and James Daniell. See "Audit Committee Report."

Compensation Committee. The compensation committee has the responsibility for reviewing and approving the salaries, bonuses and other compensation and benefits of executive officers, reviewing and advising management regarding benefits and other terms and conditions of compensation of management and administering the Company's 2000 Stock Incentive Plan (the "2000 Stock Plan"). Members of the compensation committee are Thompson Dent, John H. Dayani and Frank Gordon. See "Compensation Committee Report on Executive Compensation."

Nominating and Corporate Governance Committee. The nominating and corporate governance committee provides assistance to the Board of Directors in identifying and recommending individuals qualified to serve as directors of the Company, reviews the composition of the Board of Directors, reviews and recommends corporate governance policies for the Company and periodically evaluates the performance of the Board of Directors. Members of the nominating and corporate governance committee are Linda Rebrovick, James Daniell and William Stead.

During 2002, our Board of Directors held six meetings, the audit committee held four meetings, the compensation committee held four meetings and the nominating and corporate governance committee held two meetings. Except for Charles N. Martin who attended sixty-seven percent of the meetings, all incumbent directors attended at least seventy-five percent of the board meetings, and all incumbent directors attended all of the meetings of the committees of the board on which the director served. Our Chairman proposes the agenda for the board meetings and presents the agenda to the nominating and corporate governance committee, which reviews the agenda with our Chairman and may raise other matters to be included in the agenda or at the meetings. All directors receive the agenda and supporting information in advance of the meetings. Directors may raise other matters to be included in the agenda or at the meetings. Our Chief Executive Officer and other members of senior management make presentations to the board at the meetings and a substantial portion of the meeting time is devoted to the Board of Directors' discussion of these presentations.

[Table of Contents](#)

The Board of Directors will consider nominees for the Board of Directors recommended by certain shareholders, if such shareholders comply with the advance notice provisions contained in our bylaws. Directors are selected based on their demonstrated knowledge, experience and ability in their chosen endeavors and, most importantly, based on their ability to represent the interests of all the shareholders. Shareholder recommendations for nominees must include certain biographical and other information and the proposed nominee's written consent to nomination. The recommendations must be addressed to our Secretary and delivered or mailed and received at our principal executive offices not less than 120 days prior to the first anniversary of the date this notice of annual meeting was provided to shareholders.

Section 16(a) Beneficial Ownership Reporting Compliance

We believe that during the 2002 fiscal year, all SEC filings of directors, officers and greater than ten-percent shareholders complied with the requirements of Section 16(a) of the Securities Exchange Act of 1934, as amended, except for Mr. McLaren who failed to timely file a Form 5 reporting a grant of stock options. This belief is based on our review of forms filed or written representations that no forms were required.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" EACH OF THE DIRECTOR NOMINEES.

Directors' Compensation

We do not currently pay cash fees to directors for attendance at meetings. We do reimburse our directors for out-of-pocket expenses related to attending meetings of the board of directors. Non-employee directors are eligible to receive stock option grants under the 2000 Stock Plan. Each year, immediately following the date of our annual meeting, assuming enough shares are available under the 2000 Stock Plan, each non-employee director is automatically granted options to purchase 5,000 shares of our common stock. The exercise price is equal to the fair market value on the date of grant, and these options vest immediately upon grant. During 2000, upon the effectiveness of our initial public offering, each of our non-employee directors was granted options to purchase 10,000 shares of our common stock at the initial public offering price. These options vested immediately upon grant. Upon the election of Ms. Rebrovick to the Board of Directors, she was granted an option to purchase 15,000 shares of common stock at the fair market value at the date of grant. This option will vest in five equal annual installments beginning on the first anniversary of the date of grant.

Employee directors are not eligible for any additional compensation for service on the board or its committees.

Employment Agreement

Under an employment agreement dated April 21, 1999, Robert A. Frist, Jr. was employed as our chief executive officer initially for a two-year period at a base salary of \$85,000. The employment term is automatically extended for successive one year periods unless on or before a date that is 90 days prior to the expiration of the employment term either the Company or Mr. Frist shall have

given written notice to the other of its or his intention not to further extend the employment term, in which case the employment agreement shall expire and terminate at the end of the initial or extended employment term. Mr. Frist is also entitled to participate in the 2000 Stock Plan. Under this employment agreement, Mr. Frist has agreed not to compete with us and not to solicit our customers or employees for one year after his employment is terminated, with limited exceptions. Mr. Frist is entitled to severance benefits if we terminate him without cause. He is also entitled to severance benefits if he resigns for good reason after a change in control, if he resigns upon the occurrence of a material change in the terms of his employment or if he resigns upon the occurrence of a material breach of the agreement by the Company. The severance benefit equals the sum of \$145,000, less the cumulative amount of base salary actually paid to Mr. Frist during the one year period through the effective date of termination, and \$145,000. In addition, if Mr. Frist terminates his employment for good reason after the occurrence of a change in control, all options, shares and other benefits will fully vest immediately.

Compensation Committee Interlocks and Insider Participation

The members of the compensation committee are responsible for determining executive compensation and stock option grants to executive officers. During 2002, the following directors served on the compensation committee: Thompson Dent, Charles N. Martin, Jr. and John H. Dayani. None of these persons has at any time been an officer or employee of the Company or any of its subsidiaries. In addition, there are no relationships among the Company's executive officers, members of the compensation committee or entities whose executive serves on the board of directors or the compensation committee that require disclosure under applicable SEC regulations.

Certain Relationships and Related Transactions

In March 2001, the Company loaned Jeffrey L. McLaren, a director and our vice-chairman, \$215,000 pursuant to a secured promissory note maturing in March 2006. This note carries an interest rate at an annual rate equal to the annual Wall Street Journal Prime Rate as of the first day of every month and is secured by 300,000 shares of our common stock. Interest only on the principal balance outstanding is due and payable on a monthly basis.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION FOR 2002

The compensation of HealthStream's executive officers is reviewed and approved annually by the compensation committee of the Board of Directors, currently comprised of three non-employee directors. In addition to reviewing and approving executive officers' salary and bonus arrangements, the compensation committee establishes policies and guidelines for other benefits and administers the awards of stock and stock options pursuant to the Company's 2000 Stock Plan. The compensation committee is assisted in making compensation decisions by the Company's Chief Executive Officer (referred to in this report as the "CEO").

Compensation Policies Applicable to Executive Officers

The objectives of the Company's executive compensation program are to:

- attract, motivate and retain the executives responsible for the success of the Company;
- reward key executives based upon corporate and individual performance; and
- provide incentives designed to maximize shareholder value.

The compensation committee reviews the Company's executive officer compensation program annually to ensure that the compensation paid to the Company's executive officers is consistent with the Company's business strategy, corporate culture and operating performance. The compensation committee also reviews the compensation policies of similarly situated companies to ensure that the Company's compensation policies are competitive with other companies in the industry. The three primary components of the Company's executive officer compensation program are a base salary, the potential for a performance-based annual bonus, and periodic grants of stock options.

Base Salaries. Base salaries for the Company's executive officers, as well as changes in such salaries, are based upon a number of factors, including:

- recommendations by the CEO;
- the nature of the executive officer's position;
- the committee's subjective determination of the executive officer's contribution to the performance of the Company;
- the experience of the officer; and
- the term of the officer's employment with the Company.

The CEO reviews all salary recommendations with the compensation committee, which then approves or disapproves such recommendations.

In March 2002, the compensation committee reviewed the base salaries for the Company's executive officers. Based upon discussions with the CEO, the committee determined that the base compensation levels for the Company's executive officers were competitive with the average base compensation levels of executive officers with similar responsibilities at comparable companies.

Table of Contents

Annual Bonuses. Annual bonuses were paid to the executive officers of the Company for fiscal 2002 based upon the attainment of certain 2002 earnings targets. The compensation committee has approved an officers' compensation plan for 2003 that provides for the payment of bonuses based upon the attainment of certain 2003 earnings targets.

Stock Options. In order to align the long-term interests of the executive officers with those of shareholders, the compensation committee from time to time awards stock options to the Company's executive officers. The terms of these options, including the sizes of the grants, are determined by the compensation committee based upon the recommendations of the CEO and the committee's subjective discretion. Awards of stock options to executive officers have been historically at then-current market prices and with periodic vesting over periods ranging up to four years.

In 2002, the compensation committee granted stock options to purchase an aggregate of 53,750 shares to the Company's executive officers. The options vest over a four-year period and are exercisable at the market price of the common stock on the date of grant.

Chief Executive Officer Compensation

In establishing the compensation of Robert A. Frist, Jr., the Company's CEO, the compensation committee utilized the same compensation policies applicable to executive officers in general, however, Mr. Frist has elected to receive annual cash compensation at levels below the average base compensation levels of chief executive officers at comparable companies. Mr. Frist did not receive an increase in his base salary for fiscal year 2002 or 2001. During the first quarter of 2003, Mr. Frist's annual base salary was increased to \$100,000. The compensation committee recommended and authorized an annual salary of \$175,000. Mr. Frist elected to defer the difference between his actual base salary and the authorized amount until such time as the Company achieves certain financial targets relating to budgeted improvements in the Company's earnings before interest, taxes, depreciation and amortization.

Limitations on the Deductibility of Compensation

Section 162(m) of the Internal Revenue Code (the "Code") generally disallows a corporate deduction for compensation over \$1.0 million paid to the Company's CEO and any of the other four most highly compensated executive officers. The \$1.0 million limitation applies to all types of compensation, including restricted stock awards and amounts realized upon the exercise of stock options and stock appreciation rights, unless the awards and plan under which the awards are made qualify as "performance based" under the terms of the Code and related regulations. Based on applicable tax regulations, any taxable compensation derived from the exercise of stock options granted pursuant to the 2000 Stock Incentive Plan should qualify as "performance based" compensation for purposes of Section 162(m). None of the Company's executive officers received other compensation that exceeded the applicable deductibility limits in 2002.

AUDIT COMMITTEE REPORT FOR 2002

The audit committee of the Board of Directors is comprised of three directors who are independent directors as defined under Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards. During 2002, the members of the audit committee were Messrs. Daniell, Dayani and Husain.

In accordance with its written charter, the audit committee reviews HealthStream's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. The Company's independent auditors are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles. The audit committee held four meetings during fiscal year 2002 which were attended by all members.

The audit committee has reviewed and discussed with management and the independent auditors the interim financial statements for each quarter and the audited financial statements. The audit committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. In addition, the audit committee has received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. The audit committee has considered whether the independent auditors provision of non-audit services to the Company is compatible with the auditors' independence.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the board of directors, and the board has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission.

The audit committee's review and discussion of the audited financial statements with management included a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. In addressing the quality of management's accounting judgments, members of the audit committee asked for management's representations that the audited consolidated financial statements of the Company have been prepared in conformity with generally accepted accounting principles, and have expressed to both management and auditors their general preference for conservative policies when a range of accounting options is available.

In performing these functions, the audit committee acts in an oversight capacity. The committee does not complete all of its reviews prior to the Company's public announcements of financial results and, necessarily, in its oversight role, the audit committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent accountants, who, in their report, express an opinion on the conformity of the Company's annual financial statements with generally accepted accounting principles.

Audit-Related Fees. Fees for audit-related services provided by Ernst & Young LLP during 2002 and 2001 totaled \$21,500 and \$19,500, respectively. The fees for audit-related services during 2002 relate to the annual audits of the Company's employee benefit plans. The fees for audit-related services during 2001 relate to the annual audits of the Company's employee benefit plans and certain due diligence procedures related to an acquisition.

Tax Fees. Fees for tax services provided by Ernst & Young LLP totaled \$20,303 during 2002 and \$31,050 during 2001. The tax fees paid to Ernst & Young LLP relate to federal and state tax compliance matters, tax advice and planning.

All Other Fees. There were no other fees paid to Ernst & Young LLP during 2002 and 2001 that were not included in the captions above.

The audit committee has considered whether the independent auditors provision of non-audit services to the Company is compatible with maintaining the auditor's independence.
