

HealthStream Announces Share Repurchase Program

March 13, 2026

NASHVILLE, Tenn.--(BUSINESS WIRE)--Mar. 13, 2026-- HealthStream (Nasdaq: HSTM), a leading healthcare technology platform company for clinical workforce solutions, today announced that its Board of Directors has approved a new share repurchase program for the Company's common stock, under which the Company may repurchase up to \$10 million of outstanding shares of common stock.

Pursuant to the authorization, repurchases may be made from time to time in the open market, including under Rule 10b5-1 plans, through privately negotiated transactions, or otherwise. In addition, any repurchases under the authorization will be subject to prevailing market conditions, liquidity and cash flow considerations, applicable securities laws requirements (including under Rule 10b-18 and Rule 10b5-1 of the Securities Exchange Act of 1934, as applicable), and other factors. The share repurchase program will terminate on the earlier of September 12, 2026 or when the maximum dollar amount has been expended. The share repurchase program does not require the Company to acquire any amount of shares and may be suspended, modified, or discontinued at any time.
