INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders To Be Held on May 26, 2011: The Company's Proxy Statement, Proxy Card and 2010 Annual Report to Shareholders are available to registered shareholders at <http://www.envisionreports.com/hstm> and are available to beneficial shareholders at <http://www.edocumentview.com/hstm>.

What is the Purpose of the Annual Meeting?

At HealthStream's Annual Meeting, shareholders will act upon the election of three (3) persons nominated by the Board of Directors (the "Board") as Class II directors, one (1) person as a Class III director, and one (1) person as a Class I director, and the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011, and any other matters that may properly come before the meeting. In addition, our management will respond to questions from shareholders.

What are the Board's Recommendations?

Our Board recommends that you vote:

- FOR the election of each of the nominees set forth in this proxy statement to serve as directors on our Board; and
- FOR the ratification of the appointment of Ernst & Young LLP.

If you complete and properly sign the accompanying proxy card and return it but do not specify your vote, the proxy will be voted in accordance with the recommendations of the Board set forth above. Further, if any other matter properly comes before the Annual Meeting or any adjournment or postponement thereof, the proxy holders will vote as recommended by the Board, or, if no recommendation is given, in their own discretion.

Who May Attend the Annual Meeting?

Shareholders of record on April 7, 2011 may attend the meeting. "Street name" holders will need to bring a copy of a brokerage statement reflecting their ownership of our common stock as of the record date. Cameras and recording devices are not permitted at the meeting.

Who is Entitled to Vote at the Annual Meeting?

The Board has fixed the close of business on Friday, April 7, 2011 as the record date. Shareholders of record of our common stock at the close of business on April 7, 2011 may vote at this meeting.

As of the record date, there were 21,931,535 shares of our voting common stock outstanding. These shares were held by approximately 4,968 holders. Every shareholder is entitled to one vote for each share of common stock the shareholder held of record on the record date.

Who is Soliciting My Vote?

This proxy solicitation is being made and paid for by HealthStream. In addition, we have retained ComputerShare, Georgeson Shareholder and Corporate Election Services to assist in the solicitation. We will pay these entities an aggregate of approximately \$2,500 plus out-of-pocket expenses for their assistance. Our directors, officers and other employees not specially employed for this purpose may also solicit proxies by personal interview, mail, telephone or facsimile. They will not be paid additional remuneration for their efforts. We will also request brokers and other fiduciaries to forward proxy solicitation material to the beneficial owners of shares of the common stock that the brokers and fiduciaries hold of record. We will reimburse them for their reasonable out-of-pocket expenses.

On What Matters May I Vote?

You may vote on the election of three (3) persons nominated by the Board as Class II directors to our Board, one (1) person as a Class III director to our Board, and one (1) person as a Class I director to our Board, and on the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011.

How Do I Vote?

Your vote is important. Whether or not you plan to attend the meeting in person, we urge you to submit your voting instructions to the proxy holders as soon as possible by completing, signing, dating, and promptly returning the enclosed proxy card in the enclosed prepaid envelope provided or by voting by telephone or Internet as described below. If you complete and properly sign the accompanying proxy card and return it in the enclosed prepaid envelope, your shares will be voted as you direct. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted FOR the proposals. You have the right to revoke your proxy at any time before the meeting by:

- notifying our Senior Vice President, General Counsel and Secretary, Kevin O'Hara, at 209 10th Avenue South, Suite 450, Nashville, TN 37203;
- voting in person; or
- duly submitting a proxy bearing a later date.

Can I Vote by Telephone or the Internet?

Yes, if you are a registered shareholder you may vote by telephone or the Internet by following the instructions included with your proxy card. The deadline for shareholders of record to submit voting instructions by telephone or the Internet is 11:59 p.m. Eastern Daylight Savings Time on Wednesday, May 25, 2011.

If your shares are held by your broker, often referred to as in "street name," you may submit voting instructions by telephone or electronically through the Internet as instructed on your proxy card. The deadline for "street name" holders to submit voting instructions by telephone or the Internet is 11:59 p.m., Eastern Daylight Savings Time, on Wednesday, May 25, 2011.

How Will Voting on Any Other Business be Conducted?

We do not know of any business to be considered at the 2011 Annual Meeting other than the election of three (3) Class II directors, one (1) Class III director, and one (1) Class I director to our Board, and the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011. If any other business is presented at the Annual Meeting, your signed proxy card gives authority to Robert A. Frist, Jr., our Chief Executive Officer, and Gerard M. Hayden, Jr., our Chief Financial Officer, or either of them, to vote on such matters at their discretion.

What is a “Quorum”?

A “quorum” is a majority of the outstanding shares. The shares may be present at the meeting or represented by proxy. There must be a quorum for business to be conducted at the meeting. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What Vote is Required to Approve Each Item?

Each of the director nominees must receive affirmative votes from a plurality of the shares voting to be elected.

The ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2011 must receive affirmative votes from a majority of the shares voting to be approved.

What if I Abstain from Voting?

If you attend the meeting or send in your signed proxy card but abstain from voting on the proposals, you will be counted for purposes of determining whether a quorum exists. So long as a quorum is present, not voting will have no effect on whether the proposals are approved.

How do I Vote My Shares if They are Held in the Name Of My Broker (Street Name)?

If your shares are held by your broker, often referred to as in “street name,” you will receive a form from your broker seeking instruction as to how your shares should be voted. The NASDAQ Global Market (“NASDAQ”) rules provide that brokers and nominees may not exercise their voting discretion on certain non-routine matters, including the election of directors, without receiving instructions from the beneficial owner of the shares. Therefore, if you do not issue instructions to your broker, your broker is not allowed to exercise his or her voting discretion on certain non-routine matters and will return a proxy card with no vote (the “non-vote”) on the non-routine matter. Broker non-votes will be counted for the purpose of determining the presence of a quorum, but will not be counted for determining the number of votes cast, as a broker non-vote is not considered “entitled to vote” on the election of directors. For the ratification of the independent registered public accounting firm, absent receiving instructions from you, your broker will vote your shares at his or her discretion on your behalf.

[Table of Contents](#)

What is the Effect of a Broker Non-Vote?

So long as a quorum is present, a broker non-vote will have no effect on whether the proposals are approved.

Who Will Count the Votes?

A representative of our transfer agent, ComputerShare, Canton, Massachusetts, will count the votes and act as inspector of elections.

Where Can I Find the Voting Results?

We will announce the voting results at the Annual Meeting. We also will report the voting results on Form 8-K, which we expect to file with the Securities and Exchange Commission, or the SEC, within four business days following the meeting.

When are Shareholder Proposals Due in Order to be Included in Our Proxy Statement for the 2012 Annual Meeting?

CORPORATE GOVERNANCE

You can access our corporate charter, Bylaws, Corporate Governance Principles, current committee charters, Code of Conduct, Code of Ethics for executive officers and directors and other corporate governance-related information on our website, www.healthstream.com (under the “Corporate Governance” section of the Investors page), or by addressing a written request to HealthStream, Inc., Attention: Secretary, 209 10th Avenue South, Suite 450, Nashville, Tennessee 37203.

We believe that effective corporate governance is important to our long-term viability and our ability to create value for our shareholders. With leadership from our Nominating and Corporate Governance Committee, our Board regularly evaluates regulatory developments and trends in corporate governance to determine whether our policies and practices in this area should be enhanced. The Nominating and Corporate Governance Committee also administers an annual skills assessment process as well as an annual self and peer evaluation process for the Board. In addition, our directors are encouraged to attend director education programs.

Board Meetings and Committees

Our business is managed under the direction of our Board. Our Board is responsible for establishing our corporate policies and strategic objectives, reviewing our overall performance and overseeing management’s performance. The Board delegates the conduct of the business to our senior management team. Directors have regular access to senior management. They may also seek independent, outside advice. The Board considers all major decisions to be made by the Company. The Board holds regular quarterly meetings, an annual strategic planning meeting, and meets on other occasions when required by special circumstances. The Board operates pursuant to our Corporate Governance Principles, a copy of which may be accessed in the “Corporate Governance” section of the Investors page of our website at www.healthstream.com.

The Board currently consists of ten members, a portion of which are standing for re-election and are identified, along with their biographical information, under “Proposal I — Election of Directors.” During 2010, our Board held nine meetings, the Audit Committee held nine meetings, the Compensation Committee held four meetings and the Nominating and Corporate Governance Committee held six meetings. No director attended fewer than 75 percent of the 2010 meetings of the Board and its committees on which such director served, and as a group, the directors attended 99 percent of their Board and committee meetings. Our Chairman and Chief Executive Officer, Robert A. Frist, Jr., as well as Linda Rebrovick, Dale Polley, and Michael Shmerling attended last year’s annual shareholder meeting. Our Board has adopted a policy strongly encouraging all of our directors to attend the annual meeting of shareholders.

Each of our directors also devotes his or her time and attention to the Board’s principal standing committees. The Board has established three standing committees so that certain areas can be addressed in more depth than may be possible at a full Board meeting. Ad hoc task forces are also formed to consider acquisitions or other strategic issues. Each standing committee has a written charter that has been approved by the committee and the Board and that is reviewed at least annually. The committees, their primary functions and memberships are as follows:

Audit Committee. The Audit Committee’s primary duties and responsibilities are oversight of the integrity of HealthStream’s financial reporting process; oversight of our system of internal controls regarding finance, accounting and legal compliance; oversight of the process utilized by management for identifying, evaluating and mitigating various risks inherent in the Company’s business; selecting and evaluating the qualification, independence and performance of our independent registered public accounting firm; monitoring compliance with the Company’s Code of Ethics for executive officers and directors and Code of Conduct; monitoring the reporting hotline; and providing an avenue of communication among the independent registered public accounting firm, management and the Board.

Table of Contents

The Audit Committee operates pursuant to the terms of a Restated Audit Committee Charter, a copy of which is attached to this proxy statement as Appendix A and may be accessed in the “Corporate Governance” section of the Investors page of our website at www.healthstream.com. During 2010, the members of the Audit Committee were Dale Polley (chair), Michael Shmerling, and Jeffrey L. McLaren, each of whom is independent within the meaning of the listing standards of NASDAQ and Rule 10A-3 of the Securities Exchange Act. See “Audit Committee Report for 2010.”

Compensation Committee. The Compensation Committee has responsibility for reviewing and approving the salaries, bonuses, and other compensation and benefits of our executive officers; evaluating the performance of the Chief Executive Officer; establishing and reviewing Board compensation; reviewing and advising management regarding benefits and other terms and conditions of compensation of management; reviewing the Compensation Discussion and Analysis section of this proxy statement; issuing the Compensation Committee report included in this proxy statement; and administering the Company’s 2000 Stock Incentive Plan (the “2000 Plan”) and the Company’s 2010 Stock Incentive Plan (the “2010 Plan”) and any other incentive plans. The Compensation Committee operates pursuant to the terms of a Compensation Committee Charter, a copy of which may be accessed in the “Corporate Governance” section of the Investors page of our website at www.healthstream.com. Members of the Compensation Committee during 2010 included Thompson S. Dent (chair), Frank Gordon, Michael Shmerling, and C. Martin Harris, M.D., each of whom is independent within the meaning of the listing standards of NASDAQ. See “Compensation Committee Report for 2010.” Effective October 25, 2010, Mr. Gordon became chairperson of the Compensation Committee and Dr. Harris replaced Mr. Shmerling as a member of the Compensation Committee.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee provides assistance to the Board in identifying and recommending individuals qualified to serve as directors of the Company, reviews the composition of the Board, reviews and recommends corporate governance policies for the Company and annually evaluates the skills and performance of the Board. The Nominating and Corporate Governance Committee operates pursuant to the terms of a Nominating and Corporate Governance Committee Charter, a copy of which may be accessed in the “Corporate Governance” section of the Investors page of our website at www.healthstream.com. Members of the Nominating and Corporate Governance Committee during 2010 included Linda Rebrovick (chair), James F. Daniell, Frank Gordon, William W. Stead, and Deborah Taylor Tate, each of whom is independent within the meaning of the listing standards of NASDAQ. Mr. Daniell resigned from the Board and his Committee responsibilities effective May 27, 2010. Mr. Gordon joined the Committee after Mr. Daniell’s departure. Effective October 25, 2010, Ms. Tate replaced Mr. Gordon as a member of the Nominating and Corporate Governance Committee.

Our Chairman and Chief Executive Officer proposes the agenda for the Board meetings and presents the agenda to the Nominating and Corporate Governance Committee, which reviews the agenda with our Chairman and may raise other matters to be included in the agenda or at the meetings. All directors receive the agenda and supporting information in advance of the meetings. Directors may raise other matters to be included in the agenda or at the meetings. Our Chairman and Chief Executive Officer and other members of senior management make presentations to the Board at the meetings and a substantial portion of the meeting time is devoted to the Board’s discussion of and questions regarding these presentations.

[Table of Contents](#)

Executive Sessions

The independent directors meet in executive session (i.e. with no members of management present) periodically, in at least two regularly scheduled meetings each year. The Chair of the Nominating and Corporate Governance Committee has been designated by the independent directors to preside at these meetings.

Independent Directors

The Board has determined that Thompson S. Dent, Frank Gordon, C. Martin Harris, M.D., Jeffrey L. McLaren, Dale Polley, Linda Rebrovick, Michael Shmerling, William W. Stead, and Deborah Taylor Tate do not have any relationship that, in the opinion of the Board, would interfere with the exercise of the director's independent judgment in carrying out the responsibilities of a director and none of such directors has any relationship with the Company which would cause him or her to fail to meet the definition of "independent" under the listing standards of NASDAQ. All members of the standing committees of the Board are considered independent consistent with these rules.

Independence, Financial Literacy and Designation of Financial Experts

The Audit Committee of the Board has determined that all members of the Audit Committee are financially literate under the current listing standards of NASDAQ and are "independent" within the meaning of the listing standards of NASDAQ and Rule 10A-3 of the Securities Exchange Act. The Board also determined that Dale Polley and Michael Shmerling each qualify as an "Audit Committee Financial Expert" as defined by the regulations of the SEC adopted pursuant to the Sarbanes-Oxley Act of 2002.

Skills Assessment and Board Evaluation Process

The Nominating and Corporate Governance Committee is responsible for assessing the Board's skills, evaluating director performance and providing feedback to directors for performance improvement. Further, the Nominating and Corporate Governance Committee annually assesses the skills required of the Board to support appropriate governance and corporate oversight. In connection with these responsibilities, the Nominating and Corporate Governance Committee annually conducts a board skills assessment as well as self and peer evaluations for the full Board. The Board evaluation process includes self and peer reviews, suggestions for individual improvement, and year to year comparison and trend analysis for both individual directors and the Board on a composite basis. The Board annually reviews the results to improve effectiveness of the Board as a whole. The skills assessment and Board evaluation processes are used to determine skill requirements for new director nominations, assess committee assignments, review the qualifications of incumbent directors to determine whether to recommend them to the Board as nominees for re-election and to support improvement of the effectiveness of the Board.

Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having the Company's Chief Executive Officer serve as Chairman is in the best interest of the Company's shareholders at this time. This structure makes the best use of the Chief Executive Officer's extensive knowledge of the Company and its industry, as well as fostering greater communication between the Company's management and the Board.

Risk Oversight

The Board believes an effective risk management system will (1) timely identify the material risks that the Company faces, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board committee, (3) implement appropriate and responsive risk management strategies consistent with Company's risk profile, and (4) integrate risk management into Company decision-making. The Board has designated the Audit Committee to take the lead in overseeing risk management, and the Audit Committee makes periodic reports to the Board regarding briefings provided by management and advisors as well as the Audit Committee's own analysis and conclusions regarding the adequacy of the Company's risk management processes. In addition, the Board encourages management to promote a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations. The Board also continually works, with the input of the Company's executive officers, to assess and analyze the most likely areas of future risk for the Company.

In addition to the Audit Committee, the other committees of the Board consider the risks within their areas of responsibility. For example, the Compensation Committee considers the risks that may be implicated by our executive compensation programs.

Nominating Committee Process and Board Diversity

The Nominating and Corporate Governance Committee is responsible for identifying qualified individuals to serve as members of the company's Board as well as reviewing the qualifications and performance of incumbent directors to determine whether to recommend them to the Board as nominees for re-election. In identifying candidates for membership on the Board, the Nominating and Corporate Governance Committee takes into account all factors it considers appropriate, which may include (a) ensuring that the Board, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including expertise that could qualify a director as an "audit committee financial expert," as that term is defined by the rules of the SEC), and local or community ties and (b) minimum individual qualifications, including strength of character, mature judgment, time availability, familiarity with the Company's business and industry, independence of thought and an ability to work collegially. The Nominating and Corporate Governance Committee also may consider the extent to which the candidate would fill a present need on the Board. With respect to new candidates for Board service, a full evaluation generally also includes a detailed background check.

The Company does not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Nominating and Corporate Governance Committee strives to nominate directors with a variety of complementary skills and backgrounds so that, as a group, the Board will possess the appropriate talent, skills, and expertise to oversee the Company's business.

The Nominating and Corporate Governance Committee will consider nominees for the Board recommended by shareholders. Shareholders may propose nominees for consideration by the Nominating and Corporate Governance Committee by submitting the names and supporting information to: Secretary, HealthStream, Inc., 209 10th Avenue South, Suite 450, Nashville, Tennessee 37203. Shareholder recommendations for nominees must include certain biographical and other information, which may be found in the Company's Amended and Restated Bylaws, and the proposed nominee's written consent to nomination. The recommendations must be delivered or mailed and received at our principal executive offices not less than 120 days prior to the first anniversary of the date this notice of annual meeting was provided to shareholders (by December 29, 2011 for the 2012 Annual Meeting).

Limitations on Other Board Service

Our Code of Conduct and Governance Principles provide that a director may not serve on more than two other public company boards without Board approval. Otherwise, we do not believe that our directors should be categorically prohibited from serving on boards and/or board committees of other organizations. Service on boards and/or committees of other organizations must also be consistent with our conflict of interest policy, as set forth in our Code of Conduct and Code of Ethics for executive officers and directors, which, among other things, require a director to provide notice to the Board of his or her acceptance of a nomination to serve on the board of another public company.

Communication with the Board

Shareholders may communicate with any of the Company's directors by writing to them c/o HealthStream, Inc., 209 10th Avenue South, Suite 450, Nashville, Tennessee 37203. Shareholders may also communicate with our directors by sending an email to boardofdirectors@healthstream.com. Shareholders may communicate with the chair of any committee by sending an email to auditchair@healthstream.com (Audit Committee), nomgovchair@healthstream.com (Nominating and Corporate Governance Committee) or compchair@healthstream.com (Compensation Committee), or with our outside directors as a group by sending an email to outsidedirectors@healthstream.com. Our Compliance Officer, Kevin O'Hara, reviews all such correspondence and regularly forwards to the Board a summary of all such correspondence and copies of all correspondence that, in the opinion of the Compliance Officer, deals with the functions of the Board or committees thereof or that he otherwise determines requires their attention. Concerns relating to accounting, financial reporting, internal controls or auditing matters are immediately brought to the attention of the Company's Audit Committee and handled in accordance with procedures established by the Audit Committee.

Certain Relationships and Related Transactions

Since the beginning of the last fiscal year, we are aware of no related party transactions between us and any of our directors, executive officers, five percent shareholders or their family members which may require disclosure under Item 404 of Regulation S-K under the Securities Exchange Act of 1934, as amended ("Securities Exchange Act").

Pursuant to its written charter, the Audit Committee reviews and approves all related party transactions involving our directors, executive officers, immediate family members, or other entities which employ any of the foregoing persons ("Related Party"). AUDIT COMMITTEE REPORT FOR 2010

The Audit Committee of the Board is comprised of three directors who are independent directors as defined under NASDAQ Rule 5605(a)(2). The members of the Audit Committee are considered independent because they satisfy the independence requirements for directors prescribed by the NASDAQ listing standards and Rule 10A-3 of the Securities Exchange Act. During 2010, the members of the Audit Committee were Dale Polley, Michael Shmerling, and Jeffrey L. McLaren. Mr. Polley is the Chairman of the Committee.

In accordance with its written charter, the Audit Committee is charged with oversight of the integrity of HealthStream's financial reporting process; our system of internal controls regarding finance, accounting and legal compliance; the qualification, independence and performance of our independent registered public accounting firm; and the process utilized by management for identifying, evaluating and mitigating risks inherent in the business. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. Among other things, the Committee monitors preparation by our management of quarterly and annual financial reports and interim earnings releases; reviews Management's Discussion and Analysis of Financial Condition and Results of Operations prior to the filing of our periodic reports with the SEC; supervises our relationship with our independent registered public accounting firm, including making decisions with respect to appointment or removal, reviewing the scope of audit services, approving audit and non-audit services and annually evaluating the independent registered public accounting firm's independence; and oversees management's implementation and maintenance of effective systems of internal accounting and disclosure controls, including review of our policies relating to legal and regulatory compliance. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of our audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by Statement on Auditing Standards No. 61, as amended (AICPA Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has discussed with the independent registered public accounting firm their independence from management and the Company, including matters in the written disclosures required by the Public Company Accounting Oversight Board's applicable requirements, and considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their understanding of the Company's internal controls, and the overall quality of the Company's financial reporting.

In addition to reviewing, evaluating and ensuring the rotation of the lead partner of the independent registered public accounting firm, the Audit Committee obtains and reviews a report from the independent registered public accounting firm regarding (a) the independent registered public accounting firm's internal quality control procedures, (b) any material issues raised by the most recent quality control review, or peer review of the independent registered public accounting firm, or any material inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the independent registered public accounting firm and (c) any steps taken to deal with such issues.

Table of Contents

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2010 for filing with the SEC.

The Audit Committee is governed by a restated charter. The Audit Committee held nine meetings during fiscal year 2010.

If the Company’s shareholders do not ratify the appointment of Ernst & Young LLP, the Audit Committee will reconsider the appointment and may affirm the appointment or retain another independent accounting firm. EXECUTIVE AND DIRECTOR COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Process. The Compensation Committee of the Company's Board (the "Committee") is comprised solely of non-employee, outside, independent directors. Members of the Compensation Committee during 2010 included Thompson S. Dent, Frank Gordon, C. Martin Harris, M.D. and Michael Shmerling, each of whom is independent within the meaning of the listing standards of NASDAQ. Mr. Shmerling served on the Compensation Committee prior to October 25, 2010. On October 25, 2010, he was replaced by Dr. Harris. Dr. Harris was not involved in any compensation decisions for 2010. Mr. Shmerling was not involved in any compensation decisions for 2011. Mr. Dent served as the Committee's chair prior to October 25, 2010. On October 25, 2010, Mr. Dent was replaced as the Committee's chair by Mr. Gordon.

The Committee is responsible for setting the compensation of the Company's executive officers, overseeing the Board's evaluation of the performance of our Chief Executive Officer and administering the Company's equity-based and incentive plans, among other things. The Committee undertakes these responsibilities pursuant to a written charter adopted by the Committee which is reviewed at least annually by the Committee. The Compensation Committee Charter may be accessed on our website in the "Corporate Governance" section of our Investors page at www.healthstream.com.

The Committee annually reviews executive compensation and the Company's compensation policies to ensure that the Chief Executive Officer and the other executive officers are rewarded appropriately for their contributions to the Company and that the overall compensation strategy supports the objectives and values of our organization, as well as shareholder interests. The Committee also annually reviews the executive officers' expense reimbursements with the Company's Controller.

The Committee also solicits the views and recommendations of our Chief Executive Officer when setting the base salaries of each member of the executive team, given his insight into internal pay equity and positioning issues, as well as executive performance. At a committee meeting typically held during the first quarter of each year, the Chief Executive Officer summarizes his assessment of the performance during the previous year of each member of the executive team, including his recommendations on any compensation adjustments for members of the executive team. Following the Chief Executive Officer's presentation and Committee discussion, the Committee discusses and approves any compensation adjustments for each member of the executive team, based on competitive considerations, the Chief Executive Officer's assessment of individual performance, the Company's overall performance and the executive's current compensation package.

The process is similar for determining the compensation adjustments for the Chief Executive Officer, except that the Chief Executive Officer does not provide the Committee with a recommendation. The Chief Executive Officer presents a self-assessment of his performance during the year to the Committee, which then meets to discuss and approve any compensation adjustment, based on its assessment of the Chief Executive Officer's performance, the Company's performance and the Chief Executive Officer's current compensation package. The Committee also solicits comments from the other independent directors on the Chief Executive Officer's performance. Historically, Mr. Frist has elected to receive annual cash compensation at levels below the average base compensation levels of chief executive officers at comparable companies and below those recommended by the Committee.

Compensation Philosophy. The fundamental objective of our executive compensation policies is to attract and maintain executive leadership that will execute the Company's business strategy, uphold the Company's mission, vision and values and deliver results and long-term value to the Company's shareholders. Accordingly, the Committee seeks to develop and maintain a compensation structure that will attract, retain and motivate highly qualified and high-performing executives through compensation that is fair, balanced, aligned with shareholder interests, and linked to overall financial performance.

Table of Contents

It is the Committee's goal to have a portion of each executive's compensation contingent upon the Company's financial performance, provided a reasonable return is achieved consistent with growth in earnings or similar financial metrics, as well as providing equity-based compensation that encourages sustained long-term performance. The Committee's compensation philosophy for the executive team emphasizes an overall analysis of the executive's performance for the year, projected role and responsibilities, required impact on execution of the Company's strategy, external pay practices, total cash and equity compensation and other factors the Committee deems appropriate. Our philosophy also considers employee retention, vulnerability to recruitment by other companies and the difficulty and costs associated with replacing executive talent. Based on these objectives, the Committee has determined that our Company should provide its executives compensation packages comprised of three primary elements: (i) base salary, which reflects individual performance and is designed primarily to be competitive within the Company's market; (ii) annual cash bonuses based on the overall financial performance of the Company, in accordance with the goals established by the Committee; and (iii) long-term stock-based incentive awards which strengthen the mutuality of interest between executive officers and our shareholders.

The specific analysis regarding the components of total executive compensation for 2010 are described below. The primary components of the 2010 program were cash compensation, consisting of a base salary and bonuses, and equity incentives, consisting of stock options.

Base Salary. We seek to provide base salaries for our executive officers that provide a secure level of guaranteed cash compensation in accordance with their experience, professional status and job responsibilities. Each year the Committee reviews and approves a revised annual salary plan for executive officers, taking into account several factors, including prior year salary, responsibilities, tenure, performance, salaries paid by similar companies for comparable positions, and the Company's recent financial performance. Taking these factors into account, the Committee approved base salaries for Named Executive Officers in the following amounts:

Name and Title	2010 Base Salary ⁽¹⁾	2009 Base Salary ⁽¹⁾	Percentage Increase
Robert A. Frist, Jr., President and Chief Executive Officer	\$ 230,000	\$ 210,000	9.5%
Arthur E. Newman, Executive Vice President	217,500	210,000	3.6%
J. Edward Pearson, Senior Vice President	222,500	215,000	3.5%
Gerard M. Hayden, Jr., Senior Vice President, Chief Financial Officer	212,500	205,000	3.7%
Michael Sousa, Senior Vice President	185,000	165,000	12.1%

(1) Effective May 1 of each year.

Mr. Frist's base salary increase for 2010 was higher than the other executive officers, except for Mr. Sousa, and was based on the Committee's desire to begin to increase Mr. Frist's annual cash compensation so that it is closer to the average base compensation levels of chief executive officers at comparable companies. Mr. Sousa's base salary increase for 2010 was the result of a promotion to Senior Vice President and the resulting assumptions of additional responsibilities and management oversight.

Cash Bonuses. In addition to base salary, our cash bonus plan compensation provides our executive officers with the potential for enhanced cash compensation based on the overall financial performance of the Company. This is known as our Incremental Operating Income Incentive Plan. For the 2010 Incremental Operating Income Incentive Plan, the Committee established performance objectives that would reward the Company's named executive officers and certain other vice presidents of the Company for significant growth in operating income over 2009. The Committee chose operating income as a measure because it believed that there is a strong relationship between growth in operating income and growth in shareholder value. The plan was structured to provide bonus payouts (as a percentage of base salary) for achieving certain operating income goals for 2010. The bonus plan for named executive officers was structured to pay approximately

Table of Contents

three percent of base salary for achieving the minimum threshold level of operating income of \$6.5 million with incremental payouts for operating income in excess of the minimum threshold, and a maximum payout of 35 percent of base salary for achieving net income of approximately \$7.8 million. The bonus payment scale was established to reward both shareholders and the executive officers by funding the bonus pool with a portion of the incremental operating income above the Company's budgeted operating income. The Plan provided for a reduced maximum payout of 10 percent of base salary for Mr. Sousa since he receives sales commissions as a form of compensation. The Company achieved operating income for 2010 above the maximum threshold and paid cash bonuses at the maximum level under the 2010 Incremental Operating Income Incentive Plan during February 2011.

Long-Term Stock-Based Incentive Compensation. As described above, one of our key compensation philosophies is that long-term stock-based incentive compensation should strengthen and align the interests of our executive officers with our shareholders. The Committee believes that the strategy of time-based vesting is in the best interest of shareholders as executive officers only receive the maximum benefits from the stock-based awards if they continue their employment with the Company through the vesting period.

Equity incentive awards are generally granted to our executive officers on an annual basis. Award levels in 2010 were consistent with the objectives and approaches discussed above, and consistent with the Company's retention, performance, and shareholder alignment objectives. The Committee typically approves these awards at its first quarter committee meeting. Awards are granted on the date of the committee meeting. The Committee may also approve additional equity incentive awards in certain special circumstances, such as promotion of an executive officer to a new position, new executive team members, or in recognition of special contributions or achievements by an executive officer. During 2010, the following stock options for the purchase of the Company's common stock were granted to our Named Executive Officers pursuant to the 2000 Plan:

Name and Title	Shares Subject to Time-Based Vesting Option Grant	Exercise Price(1)	Aggregate Grant Date Fair Value
Robert A. Frist, Jr., President and Chief Executive Officer	—	\$ —	\$ —
Arthur E. Newman, Executive Vice President	20,000	3.58	35,400
J. Edward Pearson, Senior Vice President	20,000	3.58	35,400
Gerard M. Hayden, Jr. Senior Vice President, Chief Financial Officer	20,000	3.58	35,400
Michael Sousa, Senior Vice President	50,000	3.58	88,500

(1) The exercise price per share is equal to the fair market value of the common stock on the date of the grant.

The stock options are subject to the terms of the 2000 Plan and the individual grant award agreements. The options vest annually, in four increments as of the first, second, third and fourth anniversaries of the grant date, subject to acceleration as contemplated in the 2000 Plan. Each of the options has an exercise price equal to the fair market value of our common stock at the time of the grant, as determined by the closing price of our common stock on NASDAQ on the date of the grant. The aggregate grant date fair value of each option award is computed in accordance with FASB guidance for stock based compensation.

The number of stock options awarded to the executive officers was determined based on the Committee's assessment of the Company's performance, the performance of the executive officers and an analysis of prior option grants and the number and percentage of currently outstanding stock options. Mr. Sousa received a substantially higher option award in association with his promotion to Senior Vice President.

Chief Executive Officer Compensation. In establishing the compensation of Robert A. Frist, Jr., the Company's Chief Executive Officer, the Compensation Committee utilized the same compensation policies described above applicable to executive officers in general; however, Mr. Frist has elected to receive annual cash compensation at levels below the average base compensation levels of chief executive officers at comparable companies. Effective in May 2011, Mr. Frist's annual base salary will be increased from \$230,000 to \$245,000. The Committee determined Mr. Frist's base salary increase based on the performance of the Company, Mr. Frist's performance, and a comparison to other executive officers at the Company and at similar companies.

Perquisites and Other Benefits. Our executive officers are also eligible for benefits generally available to and on the same terms as the Company's employees including health insurance, disability insurance, dental insurance, and life insurance. While the Company maintains a 401(k) Plan, the Company has not provided any matching contributions under such plan.

Employment Agreement, Severance and Change In Control Agreements. We maintain an employment agreement with Robert A. Frist, Jr., our chief executive officer, the term of which is automatically extended for successive one year periods unless on or before a date that is 90 days prior to the expiration of the then current employment term either the Company or Mr. Frist shall have given written notice to the other of its or his intention not to further extend the employment term, in which case the employment agreement shall expire and terminate at the end of the extended employment term. Mr. Frist is also entitled to participate in any bonus program or stock option plan that is generally available to our officers or senior management. Under his employment agreement, Mr. Frist has agreed not to compete with the Company and not to solicit our customers or employees for one year after his employment is terminated, with limited exceptions. Mr. Frist is entitled to severance benefits if we terminate him without cause. He is also entitled to severance benefits if he resigns for good reason after a change in control, if he resigns upon the occurrence of a material change in the terms of his employment or if he resigns upon the occurrence of a material breach of the employment agreement by the Company. If any such termination occurs, Mr. Frist will be entitled to a severance benefit equal to 1.5 times the most recent recommended salary by our Compensation Committee for him. In addition, if Mr. Frist terminates his employment for good reason after the occurrence of a change in control, all options, shares and other benefits will fully vest immediately.

Vesting of Stock Options upon Change of Control. Under the 2000 Plan and the 2010 Plan, any outstanding stock options become fully exercisable and immediately vested upon a change of control, as defined in the 2000 Plan and the 2010 Plan, respectively.

Compensation Decisions for 2011. In February 2011, the Committee reviewed the performance and compensation of the executive team, and discussed the grant of equity-based awards to executive officers. For 2011, the Committee established performance objectives that would reward senior management for significant growth in operating income. The Committee chose operating income as a measure because it believed that there is a strong relationship between growth in operating income and growth in shareholder value. The Committee provided management with its philosophy with regard to the 2011 Incremental Operating Income Incentive Plan, reflecting tiered bonuses as a percentage of base salary ranging from a minimum payout of one percent of base salary for exceeding the Company's budgeted operating income for 2011, with incremental payouts for operating income performance above the minimum level, and a maximum payout of 35 percent of base salary for operating income performance significantly higher than the minimum payout level. The Committee also approved the grant of stock options to management during the February 2011 meeting.

The table below summarizes the 2011 base salary levels and 2011 equity incentive grants for the Named Executive Officers.

Name and Title	2011 Base Salary (1)	Shares Subject to Time-Based Vesting Option Grant	Exercise Price(2)

Arthur E. Newman, Executive Vice President	225,000	25,000	7.66
J. Edward Pearson, Senior Vice President	232,500	25,000	7.66
Gerard M. Hayden, Jr., Senior Vice President and Chief Financial Officer	221,000	25,000	7.66
Michael Sousa, Senior Vice President	185,000	18,750	7.66

(1) Effective May 1, 2011

(2) The exercise price per share is equal to the fair market value of the common stock on the date of the grant.

The increase in the number of stock options awarded to Messrs. Newman, Pearson, and Hayden was determined based on the Committee's assessment of the Company's performance, the performance of the executive officers and an analysis of prior option grants and the number and percentage of currently outstanding stock options. Mr. Sousa received a lower option award due to his ability to earn additional cash compensation through sales commissions.

Tax Deductibility of Compensation. Section 162(m) of the Code generally disallows a corporate deduction for compensation over \$1.0 million paid to the Company's CEO and any of the other four most highly compensated executive officers. The \$1.0 million limitation applies to all types of compensation, including amounts realized upon the exercise of stock options, unless the awards and plan under which the awards are made qualify as "performance based" under the terms of the Code and related regulations. Based on applicable tax regulations, any taxable compensation derived from the Company's cash bonus plan and from the exercise of stock options granted pursuant to the 2000 Plan or 2010 Plan should qualify as "performance based" compensation for purposes of Section 162(m). None of the Company's executive officers received compensation that exceeded the applicable deductibility limits in 2010.

Options Exercised During 2010

There were no options exercised by our Named Executive Officers during the 2010 fiscal year.

Potential Payments Upon Termination or Change-in-Control

As of December 31, 2010, we maintained only one employment agreement, with Robert A. Frist, Jr., our Chief Executive Officer. The term of the agreement automatically extends for successive one year periods unless either party provides 90 days advance notice of their intent not to further extend the then current employment term, in which case the employment agreement shall expire and terminate at the end of the then current employment term. Mr. Frist is entitled to severance benefits if we terminate him without cause; if he resigns for good reason after a change-in-control; if he resigns upon the occurrence of a material

change in the terms of his employment; or if he resigns upon the occurrence of a material breach of the agreement by the Company. If any such termination occurs, Mr. Frist will be entitled to a severance benefit equal to 1.5 times the most recent recommended salary by our Compensation Committee for him. In addition, if Mr. Frist terminates his employment for good reason after the occurrence of a change-in-control, all options, shares and other benefits will fully vest immediately. If Mr. Frist is terminated for cause, or because of his death, disability, or voluntary resignation without good reason, he would not be entitled to any compensation or benefits beyond his effective termination date, other than benefits provided through statutory requirements.

Under the terms of the 2000 Plan and the 2010 Plan, any outstanding stock options will become fully vested and exercisable upon a change-in-control. Further, the 2000 Plan and the 2010 Plan also provide for cash payments based on the difference between the change-in-control price per share of common stock and the per share exercise price of each outstanding option, multiplied by the number of shares of common stock that would be issued if such option were exercised upon a change-in-control. Under the terms of the 2000 Plan and the 2010 Plan, the change-in-control price is to be based on the highest price paid per share for any transaction reported on NASDAQ at any time during the 60 day period immediately preceding the occurrence of the change-in-control.

The following table shows the potential payments described above for our Named Executive Officers:

Name	Termination without cause, resignation for good reason, or resignation for good reason after a change-in-control	Change-in-control	Involuntary termination for cause or resignation without good reason	Retirement	Death or disability

GENERAL INFORMATION

Important Notice Regarding Delivery of Shareholder Documents

The rules of the SEC allow the Company to send a single copy of the Proxy Statement and Annual Report to Shareholders to any household at which two or more shareholders reside if the Company believes the shareholders are members of the same family, unless the Company has received contrary instructions from a shareholder. This process, known as “householding,” reduces the volume of duplicate information received at your household and helps reduce the Company’s expenses. The rule applies to the Company’s annual reports and proxy statements. Each shareholder in the household will continue to receive a separate proxy card.

If your shares are registered in your own name and you would like to receive your own set of the Company’s annual disclosure documents this year or in future years, or if you share an address with another shareholder and together both of you would like to receive only a single set of the Company’s annual disclosure documents, please contact the Company’s Secretary by calling (800) 845-1579 or writing to the Company at HealthStream, Inc., Investor Relations Department, 209 10th Avenue South, Suite 450, Nashville, Tennessee 37203. If a bank, broker or other nominee holds your shares, please contact your bank, broker or other nominee directly. The Company will deliver within 30 days upon oral or written request a separate copy of the Proxy Statement or Annual Report to Shareholders to a shareholder at a shared address to which a single copy of the documents was delivered.

Annual Report

Our 2010 Annual Report to Shareholders is being included as an enclosure with this proxy statement. The Annual Report is not part of the proxy solicitation materials.
