HealthStream Announces Pricing of Upsized Common Stock Public Offering

NASHVILLE, Tenn.--(BUSINESS WIRE)-- HealthStream, Inc. ("HealthStream") (NASDAQ: HSTM) announced today that it has priced its previously announced underwritten public offering of 3,365,000 shares of common stock at a price to the public of \$26.75 per share. The 3,365,000 share offering represents a 265,000 share upsize to the originally proposed 3,100,000 share offering. The underwriters will have a 30-day option to purchase up to an additional 504,750 shares from HealthStream. The offering is expected to close on May 28, 2015, subject to customary closing conditions.

HealthStream will receive net proceeds of approximately \$85.0 million (or approximately \$97.8 million if the underwriters exercise their over-allotment option in full) after deducting underwriting discounts and commissions and estimated offering expenses payable by HealthStream. HealthStream intends to use \$28.0 million of the net proceeds from the offering to repay all of its outstanding revolving credit facility borrowings and the remaining net proceeds for general corporate purposes, including working capital and the financing of potential acquisitions of, or investments in, strategic businesses, products or technologies.

William Blair & Company, L.L.C. and Raymond James & Associates, Inc. are serving as joint book-running managers of the offering. Avondale Partners, LLC, Craig-Hallum Capital Group LLC and First Analysis Securities Corp. are serving as co-managers of the offering.

The offering is being made solely by means of a prospectus supplement to the prospectus filed with the Securities and Exchange Commission (the "SEC") as a part of HealthStream's effective shelf registration statement on Form S-3 (File No. 333-198059). Prospective investors in the offering should read the prospectus supplement and accompanying prospectus for the offering and the other documents incorporated therein by reference that HealthStream has filed with the SEC for more complete information about HealthStream and the offering. Investors can obtain these documents without charge on the SEC website at www.sec.gov.
