

HealthStream®

3Q 2026 Investor Presentation

Safe Harbor Statement

This presentation includes certain forward-looking statements (statements other than solely with respect to historical fact), including statements regarding expectations for the financial performance for 2026 that involve risks and uncertainties regarding HealthStream. These statements are based upon management's beliefs, as well as assumptions made by and data currently available to management. This information has been, or in the future may be, included in reliance on the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. Investors are cautioned that such results or events predicted in these statements may differ materially from actual future events or results. The forward-looking statements are subject to significant uncertainties and other risks referenced in the Company's Annual Report on Form 10-K and in the Company's other filings with the Securities and Exchange Commission. Consequently, such forward-looking information should not be regarded as a representation or warranty by the Company that such projections will be realized. Many of the factors that will determine the Company's future results are beyond the ability of the Company to control or predict. Readers should not place undue reliance on forward-looking statements, which reflect management's views only as of the date hereof. The Company undertakes no obligation to update or revise any such forward-looking statements.

HealthStream Overview

HEALTHCARE MARKET LEADER

#1 Workforce Platform in Healthcare

- A market leader of enterprise workforce solutions for U.S. healthcare organizations for learning, credentialing, and scheduling.
- PaaS-enabled platform with industry's largest ecosystem of solutions for the healthcare workforce
